Dear Jeremy

RE: ROPEWALKS, MACCLESFIELD, CHESHIRE

I am writing to thank you and your team for the excellent fit-out recently completed for our client Cheshire Peaks and Plains at their new offices in Macclesfield.

A great deal of work has been undertaken by your team to ensure that the offices were completed on time and on budget. All aspects of the fit-out were delivered to our complete satisfaction from design through to the implementation of the works.

Could you please pass on my thanks to all those involved especially Helen Hampson-Smith, Paul Boffey and Paul Leguijt in, what was, a very professionally planned and implemented project.

A fantastic job well done, I look forward to working with you again on future projects.

Yours sincerely

Paul Slater
Director
