Dear Andy

7th January 2007

1 ROYAL COURT, GADBROOK PARK, NORTHWICH

We've now had a few weeks to settle into our new offices on Gadbrook Park and I'm writing to formally express my thanks and appreciation for the service we received from Preferred. You've not only created a superb working environment but in doing so made the whole experience enjoyable rather than painful!

We're absolutely delighted with Kalliope's ideas and concepts for the office, which we believe are a complete match for the design brief we set out at the beginning of the engagement. The actual fit was delivered on time to what we saw as a demanding schedule and the quality of work has been excellent. Everyone associated with Preferred has been a pleasure to work with and I'd have no hesitation in recommending your services. Indeed, I'd be more than happy to act as a reference site when the opportunity arises.

Its great to be able to say that you surpassed our expectations!

Kind Regards

Andy Dudley
